## NOTES TO THE FINANCIAL STATEMENTS

As at 30<sup>th</sup> June, 2020 (expressed in GBP)

### 1. OVERVIEW

Coleman Street Investments, hereafter designated as the “Company” was incorporated in Luxembourg on 6<sup>th</sup> March 2013.

The Company is an Open-ended Investment Fund (OIF) organised as a "société anonyme" under the laws of the Grand Duchy of Luxembourg and qualifies as a *Société d'Investissement à Capital Variable* ("SICAV"). The Company is subject to Part I of the amended law of 17<sup>th</sup> December 2010 (“2010 Law relating to undertakings for collective investments in transferable securities”) and thus qualifies as a UCITS (an undertaking for collective investment in transferable securities).

The Company was organized as a self-managed SICAV until 30<sup>th</sup> June 2014.

The Company has appointed CADELUX S.A. with effect as 1<sup>st</sup> July 2014 as its designated management company (the “Management Company”) which is authorised under chapter 15 of the 2010 Law.

The articles of incorporation of the Company were published in the RESA (“Recueil Electronique des Sociétés et Associations”) on the RCSL (“Registre de Commerce et des Sociétés Luxembourg”) website in Luxembourg and filed with the Luxembourg trade and commerce registry office from which copies may be obtained.

Amendment to the Company articles of incorporation will be published in the RESA in Luxembourg. Notices to shareholders, including in particular suspensions to calculations of the Net Asset Value, are published in Luxembourg’s “Luxemburg wort” daily newspaper and may also be published in one or more newspapers sold in the countries where the shares of the Company are distributed.

Coleman Street Investments is established as a SICAV with multiple sub-funds. As at 30<sup>th</sup> June, 2020, the following sub-funds are operational:

COLEMAN STREET INVESTMENTS - INCOME & GROWTH PORTFOLIO

COLEMAN STREET INVESTMENTS - GROWTH PORTFOLIO

COLEMAN STREET INVESTMENTS - INCOME PORTFOLIO

For the sub-funds currently open to subscription, the following classes of shares can be issued: classes A, B, C, 1, 2 and 3, each of them can be issued in accumulation (“ACC”) or distribution share (“DIS”).

The different classes of shares are differentiated by their level of investment management fees (please refer to note 6) and investment volumes:

Classes A and 1 for an investment of up to GBP 2.000.000.

Classes B and 2 for an investment of between GBP 2.000.000 and up to GBP 5.000.000.

Classes C and 3 for an investment of more than GBP 5.000.000.

The investment volumes mentioned above represent the volume for the Company and not per sub-fund. Moreover, the Board of Directors of the Company may, at its discretion, derogate from the above-mentioned investment volumes.

## NOTES TO THE FINANCIAL STATEMENTS (continued)

As at 30<sup>th</sup> June, 2020

### 1. OVERVIEW (continued)

Valuation of the Net Asset Value is determined on each day (Valuation Day), except Saturdays, Sundays, New Year's Day, Good Friday, Easter Monday, 1<sup>st</sup> of May, Christmas Day and Boxing Day.

The Net Asset Value, the issue price and the redemption price of the shares in each sub-fund are available at each valuation day from the administrative agent of the Company. The Company publishes, at the end of each financial year, annual report including audited financial statements by *the réviseur d'entreprises agréé* and, at the mid-term point of each financial year, an unaudited semi-annual report. Amongst other things, these reports contain separate financial statements for each sub-fund. The Company's currency is GBP.

The financial year of the Company ends on 31<sup>st</sup> December each year. The unaudited semi-annual report and the full version of the annual report including audited financial statements will also be prepared and made available.

Copies of the articles of incorporation, prospectus and financial reports may be obtained free of charge and upon request, from the registered office of the Company. The material contracts referred to above are available for inspection during normal business hours, at the registered office of the Company.

### 2. ACCOUNTING PROCEDURES

#### Presentation of the financial statements

The financial statements of the Company are presented in accordance with Luxembourg regulation relating to Undertaking for Collective Investment in Transferable Securities. They are prepared in accordance with generally accepted accounting policies in Luxembourg. The financial statements have been prepared in accordance with the format and the regulations prescribed by the Luxembourg authorities for Luxembourg investment companies and include the following accounting policies:

#### a) Valuation of the investment portfolio

The value of all transferable securities and money-market instruments which are listed or traded on a recognised stock exchange, or dealt in on any other regulated market that operates regularly, is recognised and is open to the public, are determined according to the last available closing price.

The value of all transferable securities and money-market instruments which are listed or traded on any other recognised, functionally operational, regulated markets that are open to the public are based on the last available closing price.

Units or shares in undertakings for collective investment are valued on the basis of their last available net asset value as reported by such undertakings.

Insofar as the portfolio securities on the valuation day are neither listed nor traded neither on a stock exchange or any other regulated market, functionally operating, recognised and open to the public, or in the case where, for securities listed or traded on a stock exchange or any other such market, the price determined according to the methods described in the previous paragraphs is not representative of the actual value of these securities, the valuation are based on the expected sales price, which are estimated with caution and in good faith by the Board of Directors of the Company.

The financial statements have been established using as a basis the last official Net Asset Value calculated on 30<sup>th</sup> June 2020.

#### b) Net realised gain/loss for the investment portfolio

The net realised gain/loss on sales of investments is calculated on the basis of the average cost of the investment.

**NOTES TO THE FINANCIAL STATEMENTS (continued)**As at 30<sup>th</sup> June, 2020**2. ACCOUNTING PROCEDURES (continued)**

## c) Foreign exchange translation

The accounts of each sub-fund are maintained in the respective reference currency of the Sub-Fund and financial statements are expressed in that currency.

Assets and liabilities expressed in other currencies than the reference currency are converted at exchange rates ruling at the end of the period. The net realised gain/(loss) and the net change in unrealised appreciation/(depreciation) on foreign exchange are recognised in the statement of operations and changes in net assets in determining the increase or decrease in net assets as a result of operations.

Income and expenses expressed in currencies other than that of the sub-fund are converted into the currency of the Sub-Fund according to the exchange rate in force at the transaction date.

The acquisition cost of securities expressed in a currency other than the reference currency is translated into the reference currency at the exchange rate prevailing on the date of purchase.

## d) Exchange rate used on the date of the financial statements:

1 GBP = **1.10390 EUR**

## e) Income recognition

The value of cash dividends on the ex-date and interest declared or accrued as aforesaid and not yet received shall be deemed to be the full amount thereof, unless in any case the same is unlikely to be paid or received in full, in which case the value thereof shall be arrived at after making such discount as the Company may consider appropriate in such case to reflect the true value thereof.

## f) Consolidated in statement of net asset and statement of operations

The combined statements of the net assets and combined statement of operations and changes in net assets represent the total of the statements of net assets and statements of operations and changes in the net assets of the individual sub-funds and expressed in GBP.

**3. COMMISSION ON ISSUING, REDEMPTION AND CONVERSIONS OF SHARES**

The Company shares are issued at Net Asset Value plus a maximum of 3%.

No commission is applied on redemption of shares.

To cover any transaction fees which may arise from the conversion, the Board of Directors of the Company may charge, for the benefit of the original sub-fund, a conversion fee of up to the amount of the redemption charge applicable to the shares to be converted.

In addition, the subscription charge of the class or sub-fund in which the conversion is effected may be levied as if the investor were subscribing in that class or sub-fund.

During the period ended 30th June 2020, there was no conversion of shares. No commission was applied.

**4. ADMINISTRATIVE AND DEPOSITARY FEES**

A UCITS depositary agreement between the Company, Delen Private Bank Luxembourg S.A. and the Management Company fixes the fees chargeable to the Company for the Depositary services, duties, and obligations.

The depositary's fee is payable to Delen Private Bank Luxembourg S.A., at the end of each quarter and is calculated at the rate of 0,02% per year on the average net assets of the relevant quarter.

A service agreement between the Company, Delen Private Bank Luxembourg S.A. and the Management Company fixes the fees chargeable to the Company for the Administrative, Corporate and Domiciliary Agent services.

**NOTES TO THE FINANCIAL STATEMENTS (continued)**As at 30<sup>th</sup> June, 2020**4. ADMINISTRATIVE AND DEPOSITARY FEES (continued)**
